

Church Notices: Sunday 26th October

A very warm welcome to any visitors with us and to the Revd Martin and Phyllis Graham who are leading our worship today.

The late Revd Janet Calderley had two beautiful funeral services. They were well attended and we shared a coach with friends from the White Church and representatives from Churches Together in St Anne's. Many more were keen to join us but were unable to. The Revd Janet's parents and brother were amazed by the contributions of people she had served in different churches. They thank everybody for their cards and letters.

Yesterday was the very busy Craft Fair which raised £1040.15! An amazing result. A big thank you to all the volunteers, and to those who came along to support us.

Our next fundraising event is the Christmas Fair on Saturday 29th November from 10am-2pm. The fundraising team are planning to have a stall at this, so if you have any items you think would be suitable to sell (or indeed items for the raffle) please speak to Avril.
