

## **Church Notices: Sunday 24th May 2026**

A very warm welcome to any visitors to our morning service, to Stuart Gay who is leading us in worship.

Copies of the Church magazine are now available for elders and distributors to pick up.

The June issue of the Good News paper is also now available.

Work will be starting to replace guttering to the church hall later this week. Please note that there will be no parking possible under windows to the side of the hall on Thursday and Friday.

The retiring collection for Christian Aid raised £540. Thank you to all supporters.

The Table Top sale yesterday raised £856. Well done to the Fundraising Team, and to those who supported in different ways.
